

## ITALY IRKED AT BRITAIN, AWAIT STRESA PARLEY

### ITALIANS TO SEEK ACCORD NOT ALLIANCE

#### Mussolini Appears To Be Dubious Of France

By Andrus Berding  
Copyright, 1935.  
By The Associated Press.  
Rome, April 6.—(P)—High Italian leaders tonight expressed irritation with England and doubt of France in connection with tri-power conference at Stresa which opens next Thursday. At Stresa foreign ministers of the three nations will consider Germany's rearmament, European problems arising in its wake and the old problem of security against war.

Italy's attitude can be summed up thus:  
1. Annoyance with England because England apparently believes in a conciliatory attitude toward Germany, wants a general European accord and does not want an alliance.  
2. Doubt of France because France, believed here to be under England's influence, is seemingly moving toward the idea of a general accord.

3. Belief that some definite stand such as an alliance, must be taken by the three western powers without regard to any general pact.  
The Italian press agrees that Italy's program at Stresa, which Premier Mussolini is drafting in his "mountain of meditation" at Rocca delle Caminate, Forlì province, will be:  
1. An accord to uphold Austria's independence, in which Germany may or may not participate.  
2. Scrapping of the idea of the "Eastern Locarno" treaty which Germany and Poland have rejected, rather than let it stand in the way of an agreement in the west.

3. Conclusion of an aerial convention with Germany included if possible otherwise without her.  
4. Provision for a treaty with Germany to limit her armaments which would be submitted for part of the Versailles treaty (that restricting Germany's armaments), this instead of a disarmament treaty.  
5. Germany's return to the League of Nations.

6. Approval of rearmament in Austria, Hungary and Bulgaria.  
The proposal that Germany's three allies in the world war be allowed to rearm will be accompanied, by the proviso that the action be after negotiation with other powers.  
The treaties of St. Germain, Trianon and Neuilly limited the armies in Austria, Hungary and Bulgaria respectively to 30,000, 35,000 and 20,000 men.

France, friend of the little Entente, may not relish Mussolini's proposal, but diplomats say she will nevertheless support it. She will realize that it is not logical to let Germany rearm and deny the same privilege to the smaller conquered nations.

**GRAF ZEPPELIN SAILS**  
Friedrichshafen, Germany, April 6.—(P)—The Graf Zeppelin sailed for South America today on its first trip of the season with 15 passengers. Also aboard were 50 apes enroute to the Rio De Janeiro zoo from an animal farm.

### Weather

Jacksonville and Vicinity—A cloudy weather will prevail in this territory today, with a possibility of showers. Monday will be fair and continued cool.

The U. S. Co-operative Weather Bureau at the Norbury Sanatorium last night gave temperatures as: High 55; current 48 and low 37. Barometer readings were: A. M. 30.93; P. M. 29.86.

Chicago and Vicinity—Mostly cloudy and unsettled Sunday, but little if any rain likely; moderate to fresh northeast to north winds; Monday generally fair; continued cool.

## MAY INCREASE SALES TAX TO THREE CENTS

### Both Horner And Kelly Announce They Favor Plan

Chicago, April 6.—(P)—Governor Henry Horner and Mayor Edward J. Kelly climaxed a three hour conference tonight with the announcement they favor immediate legislation to raise the state sales tax from 2 cents to 3 per cent.

At the same time the executives recommended that the retailers' occupational tax (sales tax) be extended to public utilities.  
The Kelly-Horner plan was evolved after a parley on the state relief situation, in which the federal emergency relief administration has demanded that Illinois raise \$36,000,000 this year in order to become eligible for federal funds to supply the balance of relief expenditures.

Their plan, the executives said, would provide approximately \$26,000,000. Of this amount, \$20,000,000 would be furnished by the increased sales tax and \$6,000,000 by the utilities.

Secretary of the interior Harold Ickes was present during part of the conference, but both the governor and the mayor said he neither took an active part in the discussion nor offered advice. Another conferee was Robert J. Dunham, chairman of the Illinois emergency relief commission, who Thursday accompanied Mayor Kelly to Washington, where they conferred with Harry L. Hopkins, federal relief administrator.

Both Kelly and Horner expressed hopes their plan can be passed by the legislature within a week. Both were understood to have considered another plan, which they did not disclose, but which was believed to embody increased power for obtaining loans on tax anticipation warrants.

A hope expressed by Kelly on his return from Washington that a system of tokens or stamps might be evolved to enable customers to pay the exact amount of the tax has been under investigation by Governor Horner and K. L. Ames, Jr., state director of finance.

## Rare Operation Is Performed On Jimmy Neilson

### Organs Transferred From Left Chest Cavity To Proper Positions

By Tom Horgan  
Associated Press Staff Writer.  
Fall River, Mass., April 6.—(P)—A difficult and comparatively rare operation was performed today on Jimmy Neilson, 13-year-old San Jose, Calif., victim of a ruptured diaphragm all that could be learned of the cheerful little lad's condition tonight was that the operation was "satisfactorily completed."

Several of his organs were transferred from his left chest cavity to their proper positions and a tear in his diaphragm—the muscular partition separating the chest from the stomach cavity—was closed.

In some respects the operation was more serious than that performed at the same hospital about a month ago on Alyce Jane McHenry, 10 of Omaha, Neb., who has since traveled far toward recovery.

Jimmy's stomach had expanded to more than twice its normal size and had intruded in the left chest cavity, although it was not upside down, as in Alyce's case. The intestines, appendix and spleen also had invaded the left chest, collapsing the lung.

## NYE SAYS HOOVER POISON TO G. O. P.

Philadelphia, April 6.—(P)—U. S. Senator Gerald P. Nye said today that if Herbert Hoover "or some other old standpater" is the Republican nominee for president next year, "then Roosevelt will know the Republican party under a worse deluge of ballots than in 1932."

The North Dakotan, chairman of the senate mutations inquiry committee, stopped off in Philadelphia enroute to Reading to address a peace meeting.  
"Hoover is poison to the Republican party," Nye declared.

## GUARD HAMILTON

Dallas, Tex., April 6.—(P)—Raymond Hamilton will not have another opportunity to break from the state penitentiary, Lee Simmons, prison superintendent, said today before he left with the young hoodlum to whom, in the past, steel bars did not a prison make.

"Ray accomplished the impossible when he broke out of the death house," Simmons said. "But it can't happen again, and he knows it."

## MAY MARK CARS

Los Angeles, April 6.—(P)—In an effort to halt increasing traffic fatalities, city officials sanctioned today a plan to mark the automobiles of reckless drivers with a sign "Traffic Violator."

Already this year 135 persons have been killed in motor car accidents, a marked increase over the same period of 1934.

## Arkansas Boy Did Not Know Fair Closed

East St. Louis, Ill., April 6.—(P)—Nine-year-old Paul Edward Terry of Jonesboro, Ark., was stopped by police today as he attempted to board a freight train to the Chicago Century of Progress Exposition.  
"We hadn't heard in Jonesboro that the fair was closed," the boy told police.

Returned from a week's ride on freight trains and highway trucks, Paul was taken to the County Children's Detention Home pending word from his parents. The boy said his father was a relief worker.

## MODIFICATION OF BONUS BILL IS PROPOSED

### Inflationists Plan To Push Measure Thru Senate

By Nathan Robertson.  
Associated Press Staff Writer.  
Washington, April 6.—(P)—The long dormant Senate inflation bloc roused itself today for a drive to put more money in circulation by cashing the veterans bonus and remonetizing silver.

At almost the same time in the House, advocates of a central monetary authority, which would have full control over currency issuance, forced the reopening of House banking committee hearings on the omnibus banking bill.

The Senate bloc offered modifications to the Patman new money bonus bill which its members contemplated would make the measure more acceptable to the administration. It also organized to demand action on the Wheeler bill for free coinage of silver.

At the request of Representative Goldsborough, (D. Md.), and other House committee members, Chairman Steagall, (D. Ala.), agreed to reopen the banking hearings Monday for testimony from Frank A. Vanderlip, New York financier, and others.

The bonus and silver bills were made the rallying points for a new monetary drive after a series of conferences among senators favoring currency expansion. Four committees were set up to steer the group action on these and other legislative proposals.

Those participating in the conferences included the men who have led inflationary drives of the past two years, culminating in the Thomas inflation law of 1933 and the silver purchase act of 1934. There has been comparatively little activity by the bloc as a group this session, however.

## ORA BUTCHER KILLED

Santa Rosa, Calif., April 6.—(P)—The body of Ora Bryan Butcher, fatally injured in an automobile crash near here last week, is being sent to Springfield, Ill., for burial.  
Butcher died in the County hospital yesterday of a skull fracture suffered in the accident, which occurred two miles south of here when his car crashed into a telephone pole. A companion, Elmer Simonson, suffered a broken leg.

## Six Men and One Woman Are Under Sentence to Die in Electric Chair

By Byrno E. Tipps.  
Associated Press Staff Writer.  
Springfield, Ill., April 6.—(P)—Six men and one woman confined in Illinois prisons are under sentence of death in the electric chair.  
Six of the seven face execution within the next two weeks, three on April 11 and the other three on April 19.

Thomas J. Lehne and Mrs. Gertrude Puhse of Granite City, now held in Chester penitentiary, and Fred Blink, Whiteside county farmer, now at Joliet, may die on Good Friday.

The Supreme Court at its February term affirmed the death sentence of Lehne and Mrs. Puhse for the murder of her husband, Charles Puhse, with his own gun as he slept in bed. This week the high court refused to reconsider its decision.

Lehne has applied to the state pardon board, which meets Tuesday, for executive clemency, and it is expected that Mrs. Puhse will make application before the meeting is convened.  
Should efforts to obtain a stay of execution fail, Mrs. Puhse will be the first woman to be electrocuted in Illinois. State officials, confronted with an unusual problem, plan her execution at the Chester prison, where she is held in special quarters. Women prisoners serve their sentences at the Dwight reformatory, which does not have an electric chair.

Blink, who ran amuck with a shotgun on his farm near Fulton last September 4 and killed five persons, was refused consideration of his case two days ago by the Supreme Court.

The persons slain by Blink were John Hamilton, who operated the farm on a form of partnership basis, Jennie Walters, Bruce Carrick, Willie

## L. DICKINSON MAKES ATTACK ON ROOSEVELT

### Declares Failure Of "New Deal" Up To President

Roanoke, Va., April 6.—(P)—A direct attack upon President Roosevelt was made tonight by a republican leader, Senator L. J. Dickinson of Iowa, with a declaration that the "shortcomings of the 'New Deal' recovery plans can no longer be charged to the 'brain trust.'"

His direct arraignment of the president, delivered in this southern state that deserted the democratic ranks to swing to Herbert Hoover in 1928, marked one of the few times that foes of the New Deal swung from attack upon that title to place responsibility for what they term its failure upon Mr. Roosevelt.

Dickinson has been mentioned as a prospective republican candidate for president in 1936 and his address tonight was regarded as particularly significant in view of known efforts by republican campaign strategists to have Mr. Roosevelt personally bear the brunt of party attack.

Those in favor of such a course have argued that the president has lost some of his popularity and that in any event if a campaign is to be effective it must be directed at President Roosevelt as the leader of the democratic party.

Senator Dickinson tonight opened with an assertion that under democratic administration "the sky is growing darker and no man knows what the weather will be tomorrow." Repeatedly he cited Roosevelt's campaign statements to support the contention they are far different from present administration policies.

"Verily," Dickinson said, "candidate Roosevelt is a total stranger to President Roosevelt."

## Continue Search For Man's Body

Alton, Ill., April 6.—(P)—Search for the body of Bernard Wilshire, 24, entombed beneath sliding tons of rock and dirt in a sink hole cave-in here April 3, continued tonight with a huge electric drill replacing most of the crew of quarrymen who began the rescue work.

Supervised by state mining inspectors digging was resumed this morning after a 24-hour layoff when state authorities found lives of the rescue workers endangered by further slides.

Wilshire and the seven-ton truck he was unloading were sucked into the earth cavity when its sides collapsed suddenly. All hope of reaching him alive has been abandoned.

Efforts are being made to reach his body through a rocky underground tunnel which terminates near the bottom of the sink hole.

## MATTHEW FUNERAL

Decatur, Ill., April 6.—(P)—Funeral services will be held tomorrow at 2:30 p. m. for William O. Matthew, 33, Macon county treasurer since 1932, who died at his home at Blue Mound yesterday following an illness of several months. Matthew was a Republican. His successor will be appointed by the board of supervisors.

## John Hauff, Chicago Gunman, Assumed To Be Dead

John Hauff, Chicago gunman, and Fred Gerner and Arthur Thielens of Rockford, in death cells at Joliet, are scheduled to walk the last mile next Thursday.

The three men were given the extreme penalty for slaying Charles Bundy, cashier, during an attempted hold-up of the Leone State bank January 16, in which four men were killed.

Notice was given at Ottawa today that the trio will seek to obtain stays of execution to allow them to file appeals with the Supreme Court. A motion in behalf of Hauff will be heard in Ottawa Monday morning, and attorneys for Gerner and Thielens will appear before the pardon board Tuesday.

The seventh person living within the shadow of the chair is James Bella of Danville, held in the criminal insane hospital at Chester. He was given the death penalty for the murder of Julia Flaherty at the Soldiers' Home at Danville December 30, 1927. State officials said the electrocution would be carried out, under the law, only if Bella recovers his sanity.

Art Newman, Shelton gangster from Franklin county and under life sentence for murder, and Raymond Stoops of Peoria, serving a 15-year prison term for kidnapping and ransom, will make pleas for executive clemency to the pardon board on Tuesday.

Applications from persons downstate include:  
For robbery—Toll Shelby and Buster Polston, Alexander, burglary and larceny, Ross Astory, Owens, Dec.

## DISPUTE OVER SOCIAL SECURITY BILL TURNS INTO "BATTLE ROYAL"

### WAR PROFITS MAY BE TAXED 100 PER CENT

#### House Will Permit Senate To Insert Amendments

By Richard L. Turner.  
Associated Press Staff Writer.  
Washington, April 6.—(P)—House leaders capitulated today to insistent demands for stern taxation provisions in the bill to outlaw war time profiteering and opened the way for their insertion in the Senate.

After insisting for three days that such amendments could not be offered, Chairman McNamara of the military committee, author of the measure, himself proposed and had accepted a 100 per cent tax on excess profits.

The amendment provided no basis for the determination of what should constitute "excess profits" but it served to tear down the constitutional barrier which would have prevented the Senate from including tax features.

Under the constitution all tax proposals must originate in the House. On the basis of the broad amendment adopted today, the Senate may now write any tax rates it chooses into the measure, possibly those proposed by its own munitions committee.

It has awaiting introduction a measure which would limit industrial profits to three per cent of the investment involved. Chairman Nye said today he was planning to turn the committee's hearings to the bill itself next week prior to introduction.

The youthful independents who led the fight for a stern anti-war profits bill were jubilant at what they considered a victory, but were not entirely ready to abandon an effort to recommit the measure.

This attempt will be made on Monday aimed at the elimination of provisions empowering a draft of man power in the event of war, which led some opponents of the measure to denounce it as a "draft bill with a sugar coating."

## Suspects Claim They Didn't Know Raymond Hamilton

### Two Men Held in Jail Met Texas Desperado in Memphis, Tenn.

Dallas, Tex., April 6.—(P)—Two men held in connection with the capture of Raymond Hamilton, said today that though they traveled with him on freight trains, they remained in ignorance of the desperado's identity.  
"We didn't even know who he was," said Donald Alfred of Tupelo, Miss., and Glenn Allen of Springfield, Ill.  
Alfred was arrested yesterday when he tried to deliver a note from Hamilton to a West Dallas man, and Allen was caught in the surprise net which trapped Hamilton last night in the Fort Worth freight yards.

"I got with him in Memphis," Alfred said. "But I never dreamed he was Raymond Hamilton."

This, he said, was shortly after Hamilton blazed a trail of banditry over Mississippi last week.  
Allen said "I don't know the man. It just happened that I was riding the same train with him. They have nothing on me and will have to turn me out."

## "REPEATERS" BLAMED FOR CHICAGO CRIMES

Chicago, April 6.—(P)—Col. Henry Barrett Chamberlin, operating director of the Chicago crime commission, announced today that a survey of criminal cases just completed revealed half of the crimes committed in Chicago are the acts of "repeaters."  
Chamberlin based his figures on a study of crimes committed between Oct. 1, 1934, and March 31, 1935.

Despite the claim that 80 per cent of parolees "make good," Chamberlin said, the records disclosed that a majority of the "repeaters" had been given probation or parole on one to three terms.

## PLEADS NOT GUILTY

Flemington, N. J., April 6.—(P)—Benjamin Heier, Brooklyn cafe employee, today pleaded not guilty to the indictment that he gave perjured testimony when he appeared as a defense witness for Bruno Richard Hauptmann. Bail of \$2,000 was posted for his release.

Common Pleas Judge Adam O. Robbins, who presided at the arraignment, fixed no trial date. Arraignment took place in the court room where Hauptmann was tried and convicted of the Lindbergh kidnap-murder.

## New Evidence Is Discovered In Hauptmann Case

Milwaukee, April 6.—(P)—The Milwaukee Sentinel said tonight that a Milwaukee priest yesterday came into the Lindbergh kidnapping case with evidence which shatters the testimony of some of his principal alibi witnesses.

The Sentinel said the priest, the Rev. Michael J. Kallack, pastor of St. Joseph's church in Cudahy, a suburb of Milwaukee, told a story which indicated, the Sentinel said, "that the plot against the Lindbergh family was fostered many months before the kidnapping and that Bruno Hauptmann knew every inch of the grounds surrounding the Lindbergh estate."

The information is now in the hands of the department of justice, who have relayed it to New Jersey authorities for further investigation, the Sentinel said.

## MAY DECLARE MARTIAL LAW IN CENTRALIA

### Nine Southern Illinois Towns Without Gas, Electricity

Centralia, Ill., April 6.—(P)—A possible violation of martial law may be invoked by city officials here tonight as a strike of employees of the Illinois Power & Light Corporation continued to deprive nine Southern Illinois towns of gas and electric service.

Leo Jonas, city attorney, said unless steps are taken within the next 24 hours to resume operations, city authorities may call upon the state to bring an end to the strike by martial law.

The gas plant here has been shut down since Wednesday. Fayetteville, Smithton, Dix, a portion of Mt. Vernon and four small communities near Mt. Vernon, were without electricity today when a storm disrupted operations. Repair men were on strike and no effort was made to restore service.

Officials of the Power & Light corporation said they still were in the dark as to the reason for the strike. The employees are members of the International Brotherhood of Electrical Workers.

John H. Mitchell, general manager of the southern Illinois division of the utilities company, said the management is "standing squarely" on the terms of the present contract with the union and will maintain that position until union officials notify them they plan to abrogate the agreement.

## 7 Killed When Plane Crashes

Praha, Czechoslovakia, April 6.—(P)—Officials of the Praha airport received reports tonight seven persons were killed in the crash in Germany of a commercial airplane flying from Praha to Amsterdam.

When the plane took off it carried three passengers, one of whom landed at Leipzig, two pilots, two wireless operators and a mechanic.

Leipzig, Germany, April 6.—(P)—Aviation officials here assumed a Praha-Amsterdam airplane which crashed today in Germany lost its bearings in a snowstorm and rammed into a hill.

At 4:30 p. m., the plane radioed it had "taken in the wires" because of a storm. From then on it was silent, apparently flying blind until the accident happened about 5 p. m.

## PIGEONS CARRY MESSAGE

New York, April 6.—(P)—Fifty pigeons carried New York's Army Day message for President Roosevelt today.

Released from the Fifth avenue parade reviewing stand, the birds headed for Monmouth, N. J., from where the message was to be wireless via Arlington, Va., to the president.

## CELEBRATE ANNIVERSARY

Sandwich, Ill., April 6.—(P)—Mr. and Mrs. M. D. Patten, pioneer DeKalb county residents, celebrated their 65th wedding anniversary today with a word of advice on how they achieved long marriage without a quarrel. Patience and perseverance, Mrs. Patten said, is the secret of their happily wedded life.

## TAXPAYERS STRIKE

New York, April 6.—(P)—Representatives of 50 civic organizations in all five boroughs voted tonight to go on strike against increased property taxes.

Demanding that a 50 per cent boost in the state tax and a 10 per cent penalty on unpaid taxes be repealed, the group voted to pay no taxes whatsoever until the demands are met.

## FISTICUFFS NOT IMPROBABLE IN SOME QUARTERS

### Measure Is Placed On President's "Must" List

By Clarence M. Wright.  
Associated Press Staff Writer.  
Washington, April 6.—(P)—The acrimonious House dispute over the social security bill and its value as an anti-depression remedy turned today into a battle royal.

No actual physical blows have been struck, but the situation was so tense and such strong words were used that fisticuffs were considered not improbable in some quarters. And the talk was stimulated by submission of a formal report on the bill today by the ways and means committee.

The 17 Democratic members of that committee insisted the new bill was the complementary and essential second half of an attack on social insecurity, naming the \$4,880,000,000 work relief bill as the other half. They definitely placed the social security bill on the president's "must" legislative lists.

But the seven committee Republicans, in a minority report bristling with criticism, termed the measure not only "unconstitutional" and "inadequate" but argued "it might in fact retard economic recovery."

At the same time the intra-party disputes continued. The 103 House Republicans were unable to agree on a unified attitude. The 318 Democrats were definitely divided into two groups, one favoring and the other opposing a suggestion that the bill be brought up next week under procedure forbidding amendments from the floor.

## Marion High Student Held For Extortion

### Federal Agent Claims Boy Tried To Extort Funds From Three Doctors

Marion, Ill., April 6.—(P)—Elmer Cochran, 23-year-old Elkhvil high school student, was in the William county jail here tonight following arraignment before the U. S. commissioner at Benton on an extortion charge.

The charge, filed by J. S. Bush of the department of justice, grew out of an alleged attempt to extort money from three southern Illinois doctors.

Cochran was alleged to have sent threatening letters through the mails to Dr. C. J. Chamness of Elkhvil, Dr. J. R. Tweedy of Royaltown and Dr. V. H. Burkhardt of Hurst.

The youth, son of a farmer living near Elkhvil, was arrested yesterday. He was remanded to jail here after arraignment when he was unable to make bond.

Dr. Chamness received a note in which \$300 was demanded several weeks ago. During the last two weeks two more notes came demanding money and containing threats of bombing his home.

Dr. Chamness notified federal authorities, who learned the two other doctors had also been threatened.

It was learned several other arrests were expected in the case.

## OBTAINS DIVORCE

Chicago, April 6.—(P)—Charging her wrestler husband had used boxing tactics on her, Mrs. Rebecca L. Brown, 22, today was granted a divorce on grounds of cruelty by Judge Philip J. Finnegan from Wesley Brown, Jr., who was a Big Ten wrestling champion while at Northwestern University.

Mrs. Brown said they were secretly married in Waukegan, Ill., Dec. 1, 1932, while she was a sophomore at Northwestern. Judge Finnegan permitted her the use of her maiden name, Rebecca Logan Barr, and ordered Brown to pay her \$1,500 at \$25 per month in full settlement of alimony.

## TICKET LEGAL

Taylorville, Ill., April 6.—(P)—The right of a municipal ticket headed by Mayor J. W. Spesser to be on the April 16 ballots at Taylorville was upheld today in a ruling by circuit Judge Thomas Jett at Hillsboro.

Judge Jett refused to issue a writ of mandamus, asked by four Taylorville voters, to disqualify the ticket.

## FINDS GAS LEAK

St. Louis, April 6.—(P)—John Ham struck a match to locate a leak in a gas line at his home. He found it, and was taken to a city hospital for treatment to several burns about the face and neck.

## Peculiar Accident

The sudden disappearance of a truck and its driver, Bernard Wiltshire, in a limestone sinkhole at a quarry near Alton, was perhaps the most peculiar accident that has taken place in this state in years. So dangerous was any attempt at rescue that workmen were compelled to cease operations. The burial of the man and the truck was complete and the pit may prove the permanent grave of the unfortunate Wiltshire.

Men will risk their lives to free another in distress. They will put forth Herculean efforts and work day and night to bring relief to entombed miners or a Floyd Collins trapped in a cave. They will spare no expense. Such is the high esteem in which a human life is held when it is found to be in danger.

But the tons of falling rock and clay must have killed Wiltshire instantly. Realizing this fact the rescuers thought it not wise to risk other lives to free a man already dead. It is only the hope of saving a life that will drive men to endanger themselves. Mere sentiment will not suffice. This is as it should be. But life saving at its best lies in the prevention of accidents.

## Short Comment

Raymond Hamilton, who escaped a Texas death house, has been recaptured. He should have been dead nine months ago, but even now it will be the middle of May before he can be executed. He may be safer in the death house than out of it.

Headline says 350,000 Frenchmen are in arms. Wonder whose?

Another headline says Republicans unable to uncover man to lead party in 1936. Maybe they're not digging deep enough. Some of the less desirable candidates are too near the surface.

The Culbertsons have increased their leads. If they keep going they may catch up with Mayor Kelly.

## Tariffs, Farm Prices

The stabilization of prices of farm products can be obtained without destroying foodstuffs and bringing on a shortage of what the people eat. The tariff offers a means for such control, provided it is made flexible and kept out of politics. Just at present food is being imported and some farm experts believe it is a good thing as it will keep prices from going too high.

The College of Agriculture at the University of Illinois has recently received a report from the AAA which indicates that lowering of tariffs may help to revive international trade. The report reads in part as follows:

"Briefly stated, present high tariffs are held to be a barrier to the revival of foreign markets because they make it impossible for foreign countries to trade their goods for U. S. farm products.

"As far as the wage earners in this country are concerned, only a small part of them have their employment protected by these tariffs, it is shown in the report. In 1928, for instance, there were nearly 50 million gainfully employed workers. More than half of these were employed in non-manufacturing industries with which imports can not under any circumstances compete. That is, they were engaged in such industries as internal transportation, gas and electricity, bank-

ing and insurance, building, public service and others.

"Of the remaining half, a considerable number were employed in industries for which profitable outlets exist in export markets. Another important group was employed in industries which could not substantially be affected by imports. These include various purely domestic industries, such as most printing and publishing industries producing bulky materials which are largely protected against foreign countries by high freight costs and industries using methods of mass production in which foreign competition can not undersell the efficient American producer.

"It is estimated that not more than one American wage earner in six is competing directly with a foreign wage earner. In making tariff adjustments the problem of what is to become of the workers whose industry depends to some extent on tariff protection must obviously be considered carefully.

"On the other hand, while some industries might contract their production if tariff reductions permitted an increase in international trade, others would expand under the new opportunities. Jobs in those industries would consequently become available."

## The Cape Girardeau Sold

Chester Herald-Tribune

The news of the sale of the Steamer Cape Girardeau by the Eagle Packet company and its removal from the Mississippi river service will bring a tinge of sentimental regret to many local citizens.

Not that the Cape Girardeau is any longer a necessity. As a matter of fact it has been almost disregarded here for the past few years. But there was a time when the Cape played an important part in the life of the community. The very young generation knows very little about Capt. "Buck" Leyhe's boat. But among the middle aged and older generations there are many who know a host of details about every deck of the big packet. Trips to St. Louis, to Cape Girardeau, and Madri Gras trips to New Orleans have stored up for its passengers hundreds of memories of events and impressions associated with the steamer.

The advent of the automobile and improvement of railroad service, together with the modern mania for speed, has spelled the doom of the Cape Girardeau in Mississippi service. Of even more importance has been the decline of river shipping. It has been several years since the sight of huge darkly stevedores, heavily laden, bouncing up and down the gang plank was a common one. Little freight, few passengers—so the operation of the Cape Girardeau ceased being a profitable business.

It is to be hoped that Cincinnati and Pittsburgh residents will appreciate the acquisition of the grand old packet for Ohio river traffic.

## So They Say

Women's intuition is needed in government to help men accomplish the things they are unable to do.

—Agnes MacPhail, only woman in Canada's House of Commons.

I like America and Americans better than ever before. Of course, no country is to be blamed for its government.

—Evelyn John Strachey, Communist British lecturer, on leaving U. S.

Chicago is too provincial.

—June Grabner, Chicago society girl entering movies.

The present might be called the "Middle-Ages," for never was there such loose and dangerous thinking.

—James M. Beck, former congressman.

Men will not indefinitely tolerate the continuation, much less the repetition, of the hopeless mess our earlier economic and political systems have landed us in.

—James Rowland Angell, president of Yale.

To the Editor of The Jacksonville Daily Journal  
Beverly Hills, Calif., April 6.—Got a wire from my sheepherder friend today and he says that Our Savior was a shepherd once, and that not only is the sheep business a mighty ancient business, but makes mighty good food. So give the old woolly boys a break, and hogs, say hog meat is so high that even the gentles have gone "kosher."

California had a bill in to investigate lobbying, and the lobbyists bought off all the votes and they can't even find the bill now. Putting a lobbyist out of business is like a hired man trying to fire his boss.

**Nye Profits-Out-of-War Bill Almost Certain to Be Smothered. . . Flynn Sees Battle Lust Squelched if It Should Pass. . . Indiana Barbara Frietchie Springs to Dear Old Flag Defense. . . McCarl Too Hot to Handle.**

By RODNEY DUTCHER  
Journal-Courier Washington Correspondent

Washington.—In all probability, the Senate munitions committee's drastic plan for eliminating war profits won't get to first base.

The Nye committee, shocked by revelation of practices in the war supplies racket and the record of World War profiteering, did its job too well.

The chief idea behind the proposal to limit individual salaries to \$10,000 in wartime and to keep corporation net gains down to 3 per cent is to minimize the economic dislocations of war—from which the world still suffers—by a pay-as-you-go policy.

But Congress is full of conservatives and they consider the bill much too radical. The committee billurged on by Senators Nye, Clark, Bone, Pope, and others, may pass the Senate.

It would then probably be mislaid in the House, though there's some chance for a greatly modified measure similar to the McSwain price-fixing bill.

Even Bernard M. Baruch, whose influence is strong with conservative Democratic senators, considers the proposals for limitation of incomes and profits far too drastic.

You can expect to hear the bill called "Socialistic" and "Communist" and to see it licked with the plea that its passage would threaten the national safety.

All that could save the bill would be some national clamor for it—of which there is no sign.

## Pocketbooks First

John T. Flynn, father of the war profits bill: "I have seen the executives of plants which later became war plants, playing golf together, and discussing all kinds of subjects, and I remember their excitement and eagerness to get into the last war, because Belgium had been overrun, and various other indignities had been heaped on the morality of the world.

"But I think all these golf-playing executives, if they knew that the moment war was declared they were all going into the service and their salaries were going from \$50,000 to \$4,000, would be less concerned about the rape of Belgium and they would think, perhaps about the rape of the payroll."

## Ha! More Treason

The active-minded press agent of Congressman Virginia Jenckes of Indiana, who was once quoted as promising to "build her up like Garbo," is now seeking to build her up like Barbara Frietchie.

His first idea was a Jenckes campaign to have flagpoles put on top of the new government buildings, with the inscription that sinister influences had been at work in the plans of the architects.

Then it was observed that in the case of new buildings where there's no flagpole atop, the poles projected out over the entrances.

But now Mrs. Jenckes and her re-

sourceful press agent have discovered three flagpoles out in front of the local railroad station which they insist haven't flown Old Glory for months.

And correspondents have just received copies of letters to executives of six railroads, wherein Mrs. Jenckes makes indignant protest and demands action.

McCarl Too Hot to Hold  
New Dealers who were out to circumscribe the powers of Comptroller General John R. McCarl, watchdog over federal expenditures, found McCarl a red-hot potato.

McCarl's position seems even stronger than it was before Secretary of the Navy Swanson decided to defy him as to legality of transportation expenses of retiring officers.

Swanson backed down rather abjectly and the New Dealers got cold feet when McCarl's powerful friends in Congress came charging to his rescue.

Now it has been discovered that McCarl sat in with the Senate and House conferees who drafted the joker for the work-relief bill which demanded that at least one-third of expenditures go for labor.

And it would be up to McCarl to rule whether expenditures complied with the act.

That's one of the reasons why Roosevelt demanded that the joker be tossed out.

## Old Salem Will Be Subject of Lecture

Petersburg Women Coming Here Next Saturday to Address Club

"The Old New Salem" will be the subject of the illustrated lecture to be given by Fern Nance Pond of Petersburg, on Saturday afternoon at the meeting of the Jacksonville Women's club to be held at the D.A.R. Chapter House.

Mrs. Pond is an historian of cabin furnishings and has published the New Salem catalogue for the state official catalogue and visitors guide. She gave a series of lectures in February in Chicago at Fields, also in April addressed audiences of 500 at the Art Institute in Chicago, and is an authority upon cabin furnishings. In connection with her lecture she will have on display an exhibit of interesting articles of historic value.

Mrs. E. D. Herald is chairman of the day, and Mrs. G. A. Sieber will be in charge of the social hour as chairman of hostesses. The musical program will be arranged by Miss Charlotte Sieber, music chairman.

A new band was recently organized in Jacksonville and held its first rehearsal Friday evening in the Masonic Temple. About thirty musicians turned out for the first practice.

Charles A. Sheppard, who has had considerable experience as a band musician, is director of the new band. Adam Elmgott is the business manager. Many experienced musicians who have played in bands here for years are in the organization.

The band will welcome young musicians who wish to receive training. Any musician who has an instrument can join the organization. Regular rehearsals are planned.

## LUTHERAN SOCIETY NAMES DELEGATES TO ATTEND MEETING

Meredosia.—The Woman's Missionary society of St. John's Lutheran church held its regular monthly meeting at the parish house on Tuesday afternoon. During the business session Mrs. Clyde McAllister, Mrs. A. H. Unland, and Mrs. W. A. Hallen were elected delegates for the missionary conference which will be held at Washington, Ill., on April 25. There were nineteen members and three visitors present at the meeting. During the social hour dainty refreshments were served by the hostesses.

The election on Tuesday for road commissioner and road clerk of District No. 5 which was held in this city is the largest election for the two offices that has ever been known in this city. The large number of votes polled totaled 738. The people working at the polls were kept busy all day.

Mr. and Mrs. John Edlen and Mr. and Mrs. A. D. Peters were business visitors in St. Louis Monday.

Mr. and Mrs. John Berger of Springfield were visitors here Tuesday.

Mrs. Edith Kupfer attended a Scout meeting in Springfield Wednesday.

Mr. and Mrs. Chas. Smith are the parents of a daughter born to them Wednesday night.

Mr. and Mrs. A. D. Peters were called to Bluffs Thursday afternoon by the death of the latter's niece.

Messrs. Clyde McAllister and C. P. Hedrick were business visitors in Jacksonville Thursday afternoon.

## State Chaplain of Good Men Can Get D.A.R. Will Speak Here Next Thursday

"National Defense" Will Be Subject of Talk by Mrs. VanLeer

Mrs. Van Leer of Bloomington, Ill., state chaplain and past state chairman of National Defense, will be the guest speaker at the regular meeting of the Rev. James Caldwell chapter D.A.R. to be held on Thursday afternoon. Mrs. Van Leer will speak on "National Defense."

She has spoken throughout the state on this subject and has made an extensive study of this question. After this meeting, Mrs. Van Leer will leave for Washington, D. C., where she will attend the National Congress of the D.A.R., therefore the meeting will begin promptly at 3 o'clock.

During the afternoon the musical program will be given by Frederick Meyers, of the faculty of the School for the Blind. Mr. Meyers will be accompanied by Guy Snell, also of the faculty.

A social hour will follow the program with Mrs. Frank Strawn, as chairman of hostesses. Mrs. Herbert J. Capps is the program chairman for the meeting and Mrs. Wm. Barr Brown, as music chairman has arranged the music for the afternoon.

## To Top of Ladder

It's Not Crowded There, J.W. Merrigan Tells Brown's Students

During the assembly hour at Brown's Business College Friday afternoon John W. Merrigan gave to the students Theodore Roosevelt's definition for success as "Success is not based on just the accumulation of great wealth. If you so live your life that you win the confidence of your friends and neighbors, you can truly say that your life is a success."

Mr. Merrigan complimented the students of Brown's on their foresight in making the right kind of preparation for, and the firm belief in, the opportunities of the future.

An example of the opportunities available today, Mr. Merrigan cited the recent report of salaries exceeding \$100,000 received by business executives. He indicated that these men had reached the top by intelligent effort and a desire to be of service to their fellow men.

In conclusion, Mr. Merrigan said "The bottom of the ladder of success is always crowded, but there is plenty of

room at the top for those who are ambitious and not afraid of hard work!"

Mr. Merrigan was the seventh speaker to appear before the students of Brown's Business College in the present series of talks by prominent business and professional men of Jacksonville.

## Night Alarm Saves Rural Schoolhouse

Passing Motorists Spread Word of Fire; Jersey Building Damaged

Jerseyville—Passing motorists noticing smoke emanating from the Tolman School, two miles north of Jerseyville, late at night, spread the alarm in the neighborhood and the building was saved from destruction.

Investigation of the cause of the fire revealed that the door of the stove in the building had become opened and coals from the fire fell to the floor and set it afire. A large hole was burned in the floor before the fire was discovered and put out.

## Visiting Professor Will Tell Students Of Peace Movement

M. Guillaume Fatio, Swiss  
Diplomat. Will Lecture on  
League at Geneva

M. Guillaume Fatio, visiting Carnegie professor, one of Geneva's most distinguished citizens, and member of the Comite of the Centre of the Carnegie Endowment for International Peace, who is making a tour of southern and middle western states lecturing at universities and colleges, will arrive in Jacksonville Thursday, April 18, to deliver a series of lectures.

He will speak under the auspices of the International Relations clubs of Illinois College and MacMurray College and will have informal meetings with the students. He will give a public lecture on "The World Center," describing Geneva, the League of Nations, and other international organizations at work, under auspices of the League of Women Voters and the American Association of University Women.

Professor Philip S. Boyd, faculty adviser of the International Relations club of Illinois College, and Professor

M. GUILLAUME FATIO

G. W. Adams, faculty adviser of the MacMurray College club, are in charge of the meetings.

For fifteen years M. Fatio has watched the League of Nations develop since he aided in establishing it in Geneva in 1920 and his faith in the league is unshaken. In those years he has seen it make thirty-two major political decisions, or more than two a year, and has watched its activities along trade, health, drug traffic, and similar lines develop. These alone would make the league worth while, in his opinion, if it were not for the other side of the work.

M. Fatio is not a member of the League of Nations staff, but he has probably had as much to do with the building up of that body as any other one person; he is not a governmental official, but he has performed distinguished service for Switzerland; he is not a banker, but for forty-five years he has been connected with banking interests; he is not a professor, but is closely allied with the University of Geneva and his work is largely educational; he is not a propagandist, but he is identified with the cause of world peace.

M. Fatio is a former president of the Societe des Arts de Geneva and president of the Bureau Central de Bienfaisance of Geneva.

When the decision was made to establish the League of Nations in Geneva, M. Fatio was entrusted with its installation and did much to assist the first league officials with their difficult duties setting up the new organization. In 1932 he was appointed by the Conseil d'Etat of Geneva to make the plans for the disarmament conference and he has kept closely in touch with the work of that body. He was appointed a representative of the University of Geneva on a mission to American universities in 1933, and is honorary treasurer to the World Alliance for International Friendship Through the Churches.

He is author of numerous historical and artistic works, among them "Geneve a travers les Siecles," "Geneve siege de la Societe des Nations," "La Campagne Genevoise," "Autour de Lac Lemman," and "Geneve et les Pays-Bas." He is preparing a work entitled "Geneve and Great Britain."

## DISEASE AND BUGS THREATEN DAMAGE TO TOMATO CROP

Urbana, Ill.—Now that the tomato has become the second most valuable truck and garden crop in Illinois, diseases and insects attacking it can run up a heavier toll than ever before if they are not controlled. These facts are brought out in a new circular just issued by the College of Agriculture, University of Illinois. It is entitled, "Tomato Diseases and Insect Pests: Identification and Control."

Disease-free seed, clean soil, sterilization and crop rotation are important factors in keeping diseases out of the plot, and are discussed as general control measures.

Twelve of the most serious diseases are dealt with in the section on diseases prepared by K. J. Kadow, of the department of horticulture. A description of the disease along with its cause, symptoms, method of spreading and control is listed for each of the diseases included.

Diseases mentioned in the circular are mosaic, streak, bacterial canker, fusarium wilt, septoria leaf spot, verticillium wilt, bacterial spot, blossom-end rot, damping off, leaf mold, hollow stem and collar rot.

Control of nine different insects is explained by L. H. Shropshire, field entomologist for the Illinois State Natural History Survey. Insects included in the description are flea beetles, tomato worms, tomato fruit worms, garden slugs, cutworms, aphids and plant lice, whiteflies, ellworms and symphylids.

## White Hall Gets Valley Track Meet as Officials Decide on Long Time Schedule Planning

First Team  
Updike, Jerseyville  
Scott, Roodhouse  
Ator, Pleasant Hill  
Ducey, Pittsfield  
Mathis, Jerseyville

Second Team  
Guthrie, Pleasant Hill  
Pile, Winchester  
Shaw, Griggsville  
Cunningham, Carrollton  
Priest, Winchester

Honorable Mention—Peck, White Hall, Capps, Pleasant Hill, forwards; Pontero, Carrollton; Lovell, Pittsfield; Cummins, Greenfield and Simmons, White Hall, centers; Burton, Carrollton; Wilhite, Carrollton; Whitney, and Perry, Roodhouse; Lister and Liles, Griggsville; Briscoe, White Hall and Barton, Pleasant Hill, guards.

White Hall high school was awarded the Illinois Valley track and field meet and the date was set for April 26, Friday afternoon, as the officials of the conference met here Saturday and voted to adopt a rotating schedule calling for an increase in both basketball and football conference games.

What appeared to be a crisis in the affairs of the conference was passed by the narrow margin of one vote, a 9 to 8 ballot on the question of accepting a new section four to the by-laws. There were several moments of uncertainty after the vote was recorded, while the chair determined whether the amendment was to the constitution or by-laws. The amend-

ment was made to the by-laws, requiring only a majority vote to make it effective.

**Settles Schedule Problems**  
The action, contemplated for several years but always the focal point of arguments, settled for the time being the troublesome problem of arranging the required number of basketball and football games for each member school. Heretofore Pike county schools have had difficulty in getting the number of games required to permit them to compete for a conference championship.

The conference also raised the number of football games each team will be required to play for championship consideration, adopting another amendment to the by-laws setting the number at six football games and ten basketball games. Only six games will count in the football standings for each team, and ten only will be permitted in basketball. Teams will be allowed to compete more than that many times against each other, but the games will not count in the conference.

President H. D. Barr, of Roodhouse, into whose hands was tossed the task of naming a central committee whose duty it will be to draw up the schedules, said that the executive committee would discuss the situation before making any committee appointments.

The change in the by-laws will not go into effect until the close of the coming football season. It will operate during the coming basketball season, and as a result of the decision to adopt the rotating schedule idea, the coaches did not attempt to draw up their 1935-36 basketball schedules. Under the amendment as it was passed, each school will be allowed to name three natural rivals, who will be played every year.

**Jerseyville Gets Trophy**  
Jerseyville was officially awarded the basketball championship for the past season, and its coach, W. J. Creamer told this conference that his boys had designs on the track title. Jerseyville won the meet last year, and although they lost a number of members of that team, they will be strong for the coming meet.

White Hall was selected as a site for the meet after the officials considered coming to Jacksonville and using the Illinois College field, and going to Greenfield and using the night lighting arrangement there. The vote was

10 to 6 in favor of holding the meet at White Hall, in view of the interest in track at that school.  
Coach Andrew Chapman of Winchester presented a report on the investigation of possible sites for the track meet, without making any particular recommendations other than outlining the features available at the various places.

Only one other order of business was discussed. That was a possible change in the date of the spring meeting to avoid a conflict with the meeting of the teachers in the Southwestern district.

Coach Orville Krughoff invited the other coaches in the conference to form cross country teams next fall, and announced his intention of holding an Illinois Valley cross country meet if the conference approved the plan. No action was taken on either of the latter two items.

**Coaches Pick Team**  
Following the meeting, the coaches met in the lobby of the New Duplap hotel and picked the all-star team for the recent basketball season. The selections are listed above.

Members of the conference present were: Principal M. E. Woodworth and Coach John Tarwin, Pittsfield; Supt. R. J. Nichol and Coach Gilbert Love, Griggsville; Supt. J. H. Voshall and Coach Bruno Bierman, Pleasant Hill; Supt. E. H. Mellon and Coach Andrew Chapman, Winchester; Supt. H. D. Barr and Coach Foster Keagle, Roodhouse; Prin. W. H. Knapp and Coach Al Reesman, White Hall; Supt. Abel Hansen and Coach Orville Krughoff, Carrollton; Coach C. F. Hubbel, Greenfield; Supt. M. H. Markham, and Coach W. J. Creamer, Jerseyville.

## Hartnett's Single Wins For Bruins

Chicago, April 6.—(P)—Gaby Hartnett's single, his third hit of the game, in the eleventh inning with the bases full, gave the Chicago Cubs a 3 to 2 victory over the Washington Senators today in the first of a two-game series.

French, former Pittsburgh southpaw, held the American Leaguers to two hits and no runs in five innings. Another lefty, Roy Henshaw, gave three hits, two of them combined with a walk, accounting for both Washington runs in the sixth.

Hartnett doubled and scored on Travis' error in the seventh for the first Cub run, and Fred Lindstrom drove in Woody English with the tying run in the eighth. The Cubs made 12 hits off Bob Burke, Jack Russell and Wallie Stewart.

## Keep College Cage Code In Same Status

Only Restriction Is That Of Keeping Men Out Of Free Throw Lane

Chicago — (P)—College basketball was kept safe and open for the towering centers Friday although action was started to apply the brakes to their scoring rampages under the basket from the pivot position.

By the surprisingly narrow margin of five votes, 32 to 27, delegates to the National Association of Basketball Coaches' convention voted down the California proposal to eliminate the center jump except at the start of the games, the second half and at the beginning of overtime.

A few minutes later, the delegates capped a stormy debate by voting to recommend to the national rules committee that a rule be enacted whereby no offensive player, with or without the ball, may remain for more than three successive seconds within the free throw area of his opponent, except to pursue a loose ball. The recommendation, aimed strictly at the big men who hold the pivot post positions, was expected to be made a hardwood law by the rules committee, which meets in New York Sunday and Monday.

Except for a recommendation that technical fouls be called against players who step across the jump circle (an imaginary circle) on a jump ball, no changes were suggested. At present, only the jumper who steps out of the circle is guilty of a technical foul; the player who steps across the center line to impede his jumping opponent is guilty of a violation, thus surrendering the ball to his opponent out of bounds.

Arthur "Dutch" Lonborg, Northwestern, was elected president of the association, succeeding Howard B. Ortnor of Cornell. W. S. Chandler, Marquette, was named secretary-treasurer.

The coaches also named Dr. Forrest C. "Phog" Allen of Kansas as their candidate to coach the American all-star basketball team in 1936 Olympic games. A movement also was started to schedule a "Naimith Day" at every university, college and high school next season to raise a fund to send Dr. James A. Naimith of Kansas, father of basketball, to the Olympic games. Each school is expected to turn over receipts from one game to the fund.

## Hildebrand Vet

Umpire Retires

Chicago, April 6.—(P)—After 21 years of service as an American League umpire, George Hildebrand has been placed on the retired list at his own request. His place on the league staff will be taken by John A. Quinn of Philadelphia, the Southern League umpire who called them for the Major Leagues during their barnstorming tour of Japan last winter.

Desire for a rest was given as the cause of Hildebrand's retirement. The rest of the league's umpiring staff will remain intact for the 1935 season with Thomas H. Connolly umpire-in-chief. The staff includes William Dinneen, C. B. "Brick" Owens, George Moriarty, Emmett Ormsby, William McGowan, Harry C. Gelsel, L. C. Kolls, William R. Summers, Charles Donnelly, Quinn and Connolly.

## Cambridge Wins in English Boat Race

Defeat Old Rivals, Oxford, in Annual Thames Grind

Putney-On-Thames, England.—(P)—Cambridge today defeated Oxford for the 12th straight year in their 87th boat race on the Thames.

Oxford slipped far to the rear near the finish and Cambridge finished four lengths in front of the Dark Blues.

The Light Blues held a six-length lead at one time but eased up near the finish and crossed the line at the end of the four and one-quarter miles rowing at the rate of 30 strokes to the minute. Oxford, after keeping within striking distance more than one-half of the race, had dropped back to 28 strokes.

In winning their 46th race of the series, Cambridge covered the course in 19 minutes and 48 seconds, far back of the record of 18:03 made by the Light Blues last year. The official margin of victory was announced as four and one-half lengths.

**PIRATES WIN**  
Fort Worth, Tex., April 6.—(P)—Home-run support by Paul Waner and Arky Vaughan to Waite Hoyt's three-hit pitching today gave the Pittsburgh Pirates a 2 to 0 victory over the Texas League Fort Worth Panthers.

Score by innings:  
Pittsburgh 000 110 0—2 9 1  
Fort Worth 000 000 0—0 3 0  
Hoyt and Padden; Jonnard and Heving.

**PHILLIES WIN**  
Philadelphia, April 6.—(P)—Major League baseball made its 1935 debut in Philadelphia today with the Phillies crushing their townsmen, the Athletics, 10 to 2 under a 17-hit barrage in the opening game of the annual city series.

## Craig Wood Leaps Into Golfing Lead

Belting Beauty Defies Wind And Rain To Overtake Picard, Who Slumped

Augusta, Ga., April 6.—(P)—The "Hershey Hurricane" turned out to be just a zephyr today compared to the blustery rain storm that swept the classic Augusta national links, with the result that blond Craig Wood, the "Belting Beauty" from Deal, N. J., played the crest of a great third round to overtake the flustering Henry G. Picard of Hershey, Pa., and assume the pace setting role in the \$5,000 invitation golf tournament.

Wood played the most spectacular round of the tournament, as he overcame the hazards of weather and course for a 68, four under par. It gave him a 54-hole total of 206—seven under perfect figures for three rounds—and a one shot lead over the National Open champion, Olin Dutra of California, who registered his third successive 70 for an aggregate 210.

Picard, who started out at the height of the storm with a two-day count of 135 and a four shot lead over his nearest pursuer, quickly went into a slump, rallied and then went into reverse again on the home stretch. He wound up with a 76, a far cry from his previous rounds of 67 and 68, and finished the day in third place, with 211, two shots behind the new leader and one stroke in front of Gene Sarazen, whose 73 gave him an aggregate of 212.

Separated by only three strokes, these four—Wood, Dutra, Picard and Sarazen—figured to fight it out for the biggest slice of the prize money tomorrow. The only figure with even a remote chance to figure in the struggle for first place were the veteran Walter Hagen and Denny Shute, each with a 214 in a tie for fifth position.

**CARDS BEAT BROWNS**  
St. Louis, April 6.—(P)—The world champion St. Louis Cardinals won from Rogers Hornsby's Browns, 6 to 3, today in the opening game of the St. Louis city series.

The Browns pounded Paul Dean for a dozen hits, but they did not get enough mileage out of the wallpots to outscore the Cardinals.

Score by innings:  
St. Louis (N) 013 002 000—6 5 1  
St. Louis (A) 000 000 000—3 12 1  
P. Dean and Davis, Delaney; Thomas, Knott and Hemslay.

**TIGERS WIN**  
Charleston, S. C., April 6.—(P)—After fanning three straight times, Hank Greenberg hit a hot line single in the thirteenth inning today to pull an exhibition baseball game out of the fire for the Detroit Tigers. The final score was 3 to 2, with the Cincinnati Reds on the short side of the tally sheet.

Score by innings:  
Cincinnati (N) 000 000 000—2 7 3  
Detroit (A) 200 000 000—3 9 0  
MacFayden, Brennan and Lombardi, Campbell; Auker, Marberry, Sullivan and Hayworth, Cochran.

## Y. VOLLEYBALL AND BASKETBALL LOOPS TO CLOSE

Final Games Will Be Played This Week With Play-Offs to Follow

Y. M. C. A. Leagues of both volleyball and basketball come to a close this week with games in the Washington school gymnasium. But in both cases a play-off of the leaders is to follow the final games of the scheduled series.

Basketball games this week will be played on Tuesday and Thursday, while volleyball will be on Wednesday and Friday. The schedule calls for the following games—all at Washington School:

**Tuesday, April 9—Basketball**  
7:05—Roach Press vs. Business College  
8:00—Steinhilbers vs. Chevrolet  
8:55—Lynnville vs. Swifts

**Wednesday, April 10—Volleyball**  
7:05—North Side A. & P. vs. Pigly Wiggly  
8:00—Ideal Bakers vs. Peerless Bread Co.

**Thursday, April 11—Basketball**  
7:05—Barnharts vs. Roach Press  
8:00—Steinhilbers vs. Business College

**Friday, April 12—Volleyball**  
7:05—East State A. & P. vs. Power & Light  
8:00—Grace M. E. Church vs. Amalgamated Clothiers

In the Wednesday night volleyball and basketball games, the Y. M. C. A. & P. stores have been especially interesting, the games last Wednesday breaking the tie and making the East State A. & P. the leaders of that league by a small margin after three hard-fought and close contests.

In the Friday night league the Amalgamated Clothiers and the Grace M. E. team are running neck and neck for first place, each having lost but one game. They meet each other for the final contest in a series of games Friday at eight o'clock.

A play-off to determine city championship of the two leagues is to be played the following week, the first place team of each league competing with each other and a similar contest between the second place teams. It is planned to play these games on Monday, Wednesday and (if need be) Friday, for the best two-out-of-three contests, the second place teams playing at 7 o'clock and the first place teams playing at 8:00.

A play-off to determine the basketball championship will also be played the week of the 15th. Smith Index were the winners of the first series, and thus far Steinhilbers are leading the second, with two games to be played this week. The games to determine final standing of the four leading teams will be played in the David Prince gym on Tuesday, Wednesday and Thursday of next week.

The standing of the teams at present is as follows:  
**Volleyball Wednesday Night League**  
East State A. & P. 12 2 367  
North Side A. & P. 12 2 374  
Peerless Bread Co. 8 6 371

## Indiana Wins St. Louis Relay Meet

Pile Up Amazing Total of 50 Points in Indoor Meet; Teachers 14

St. Louis.—(P)—Big Ten schools, preparing to turn outdoors for renewal of track warfare, looked today with apprehension to the strength of Indiana University's team, which last night won 50 points spread-eagled the field at the first running of the St. Louis relays.

The 15-man Indiana squad so dominated the relays, winning eight first places, that its nearest competitor, the Carbondale, Ill., Teachers, could collect but 14 points. Washington University of St. Louis was third with 12 and Iowa University fourth with ten.

The Hoosiers captured two of the three relays and six individual races. Jesse Owens, Negro sprinter from Ohio State, winning a special 50-yard dash in 5.2 seconds, outshone the exhibition efforts of Glenn Cunningham, who was hard-pressed by Elton Brown, Pittsburgh, Kas. Teachers, to win a 1,000-yard event on 2:24.4. Owens time equalled the indoor record held by George Simpson of Ohio State.

## Berg Allows Only Two Hits In First Game and Blueboys Get Only Five In Final Tilt

Champaign, April 6.—Illinois College's first invasion of the Big Ten wound up in a failure to get a victory in three efforts here Saturday when the Illini turned them back twice.

Howie Berg allowed the Blueboys only two hits in the first game as the Illini won 7-0, and the Illini pounded two Illinois hurlers for 15 safe blows in the night cap to win 15-2.

Almost total collapse of the Blueboy hitting attack featured the futile attempt of the Little 19 entry to knock off the defending Big Ten champions. Illinois got a hit in the first inning of the first game, but the next 19 men retired in order before the team nicked Berg for another safe blow. Berg went on to finish without getting into trouble.

Sulo Mattson, who is expected to carry half of the Blueboy pitching burden, deserved a better fate than he got, the burly freshman finger allowing but five hits in the nine innings. The Blueboys scored by perfect support, while the Blueboys fumbled two nines. Berg was helped in holding times.

Cherry and Pershell divided up the mound work in the final game, combining their efforts to give the Blueboys only five blows. Ator and Mann, who worked for Illinois on the mound, were subjected to rather severe punishment.

Through both games, however, the Blueboys appeared to have found themselves after stumbling terribly in the opening game. Berg's two hit pitching performance overshadowed an excellent game turned in by Mattson. Carl Meyer tapped one of Mattson's offerings for a home run to register the longest hit of the game. The Illini were successful in bunching their hits in three of the four innings in which they scored.

Franklin, Illini second baseman, featured the hitting in the second game when he cracked out a homer, triple and double to drive in eight runs. Meyer also collected a homer in the second game.

Illinois College will make their next appearance against a Big Ten entry when they meet the Northwestern University team on the Jacksonville ball ground next Thursday afternoon. They also will play the University of Iowa before launching their Little 19 season.

Mrs. W. O. Tankersley Badly  
Burned on Arm; Youth  
Suffers Fracture

White Hall—Mrs. W. O. Tankersley was painfully burned on her right arm from the shoulder to the hand, Friday morning, with flaming grease. She was rendering meat scraps in the oven of the cook stove and the grease caught fire. She attempted to carry the blazing pan outdoors and the breeze fanned the flames back over her arm.

Her husband is an invalid confined to a wheel chair and was unable to give assistance. Earlene, the year old daughter of Mr. and Mrs. Earl Thurmon was painfully burned with hot water which she spilled over onto her arms and face while visiting at the home of her grandmother, Thursday. The family reside at Hillview.

**Boy Fractures Arm**  
Everett Hazelwood, the fifteen year old son of Mr. and Mrs. Lee Hazelwood, residing south of Hillview suffered a badly broken right arm, Thursday morning when he attempted to crank a farm tractor preparatory to assisting with the spring plowing. He is a freshman in the Hillview high school, but school was dismissed for a teachers' institute and he was assisting at home when the accident occurred. The arm was broken above the wrist and the wrist was dislocated.

Frances Doyle of Patterson, senior in the White Hall high school was taken to Our Saviour's hospital Friday morning seriously ill with blood poison which had spread through her system from an infection on her hand. She was to have accompanied the music and literary contestants to Macomb for a district meet on Saturday and play the piano in the contest.

Mrs. Fred C. Jones formerly of Roodhouse, now of Venice is visiting with Walter Jones and family east of White Hall.

**HUMANE SOCIETY TO SPONSOR KINDNESS TO ANIMALS DRIVE**

Springfield, Ill.—(P)—Governor Horner today endorsed a "Be Kind to Animals Week" to be sponsored by the American Humane Education Society April 8-13.

In a letter sent to Mrs. Jennie R. Toomin, of Chicago, field representative of the society, Horner said co-operating groups are "deserving of the highest praise."

He declared "the influence of such efforts cannot fail to strengthen those humane instincts, so akin to the divine, which have been one of the attributes and impelling motives of the American people."

## 50,000 Soldiers on March in Capital; Celebrate Army Day

Dern Says Day Set Aside to Point Out Mandate of Constitution

Washington—(P)—On this 18th anniversary of America's entry into the World War, 50,000 marchers were mustered for a giant parade down Constitution Avenue in honor of Army day.

With 40 bands to spur their steps the paraders—soldiers, reservists, cadets, veterans, members of patriotic societies—massed for the demonstration at 1:30 p. m. All over the country, too, the army was on review.

Leaders emphasized that the day's celebration was not to glorify war.

"It is not my conception of Army day that its purpose is to glorify war," said Secretary Dern in a message from Miami.

"Rather, it is my view that the intent is to focus attention on the Constitutional mandate that one of the primary duties of government is to provide for the common defense."

The army's chief of staff, General Douglas MacArthur, interpreted the day as one in which the public was given "special opportunity to inspect, examine and become more closely acquainted with its soldiers, both professional and civilian."

Meanwhile, a remnant of those who opposed American participation in the World War planned to climb the capitol steps to Statuary Hall to place wreaths at the feet of statues of Senator Robert M. LaFollette, Sr., of Wisconsin, Speaker Champ Clark of Missouri and Representative Claude Kitchin of North Carolina, who led the fight against war.

This exclusive pose of Mrs. Franklin D. Roosevelt shows The First Lady of the land is ready for Easter. Her Milgrim frock is part of the wardrobe in which she will preside over White House Easter festivities. It is made of a very fashionable small print, white on black. The triple-pleated collar is edged in red and the belt is of red patent leather.

Lots of things have happened since this column last went to press. We've seen several little items jotted down here and there for your information, however.

Already the baseball bugs are beginning to talk about a twilight baseball league. It appears that there will not be as much time lost in getting underway this year as there was last year.

Whether this city will respond to the same incentive that appears to be working in the north central part of the state we don't know, but there are more ball teams up that way this spring than there has been for some time.

State Normal has a ball club all wrapped up in one player. That player is Bill Aleks, a freshman who pitched the Redbirds to a 7-6 victory over the University of Wisconsin, Friday.

Aleks allowed the Badgers ten hits and kept them scattered, and then collected a home run in the seventh inning to provide the winning run. He also got a single and a triple in two other trips to the plate and walked his fourth time up.

John Noppenberger, whose basketball team at Peoria Spalding five times won the state Catholic title and once won the national championship, has resigned and will continue his coaching elsewhere. "Moose" Cornat, former Monmouth star, is favored to get the coaching position left vacant at Corpus Christi by Harry Bell, who will jump back into the Little 19 as Wesleyan's athletic director.

Roodhouse high has completed its football schedule for next year and lists three games outside the Illinois Valley conference. The Railroaders, who will have almost a veteran team next year, will play Peishams, Quincy and Jacksonville high.

One of the Roodhouse lads, Keyes, won a fifth place in the indoor meet at Naperville when he ran in the half mile for North Central.

**CAMP POINT ROBBER HELD**

Quincy—(P)—Job Marshall Miller, of Fair Oaks, Ind., was held here on a charge of robbing the Farmers State Bank of Camp Point, July 5, 1934, and Sheriff Ray Robertson said Miller had been identified as one of the robbers by Earl Pierce, bank cashier. Miller was arrested in Kentland, Ind.

Len Little of Naples was transacting business here yesterday.

Hillview business callers here yesterday included Floyd Frazier.

**Hollywood Mourns Its Pets**

Hollywood has a heart. The Los Angeles Pet Memorial Park reveals it. Here lie the remains of 1000 animals that once were petted by the stars of filmland. Here, for instance, little Carolyn Suite is shown beside the tomb of Kabir, the late Rudolph Valentino's pet Doberman Pinscher.

Mrs. George Robinson and Mrs. Thomas Mason were Jacksonville visitors Saturday morning.

Gus Seymour, Mr. and Mrs. Ernest Henry and daughter attended the funeral of Mrs. Henry's uncle, Monroe Jennings, in Murrayville Thursday afternoon.

Helen Vedder spent Tuesday night with Gladys Sample.

Mrs. Harry Mason recently had the misfortune to fall with an armful of canned fruit, fracturing two ribs and cracking another. We wish for her a speedy recovery. Her mother-in-law, Mrs. Thomas Mason, for whom she had been caring, still remains in a critical condition, following a serious stroke some time ago.

Mr. and Mrs. Edgar Spies, who spent the winter in California, returned home Thursday evening of last week.

J. P. Hammer of Virginia spent Saturday in Jacksonville transacting business.

## Traveling Men to Attend Memorial

T.P.A. and U.C.T. Arrange Annual Service for Sunday Morning

Memorial services for members of the Travelers Protective Association and United Commercial Travelers will be held Sunday morning at 10:45 o'clock at the Central Christian church. Dr. M. L. Pontius will deliver the sermon.

Members of the two organizations invite the public to join in the service, which is held annually.

T.P.A. and U.C.T. members will assemble at the Pacific hotel at 10:35 a. m. and the Dunlap hotel at 10:40 a. m., leaving promptly at 10:40 for the church.

## MRS. THOMAS MASON ENTERTAINS CLUB NEAR NORTONVILLE

The South Side Community Club of Nortonville, met at the home of Mrs. Thomas Mason Friday afternoon with fourteen members and six guests present. The meeting was called to order by the president, Mrs. Lionel Seymour.

During the business period, it was decided to elect a recording secretary, Mrs. Hillard Sample, being elected. The program committee was appointed by the president to make out the programs for the coming year. Those on the committee are: Mrs. Lawrence Seymour, Mrs. Ben Smith, Mrs. Warren Fanning, Mrs. Charles Story, Mrs. T. B. Reeve, and Mrs. Thomas Mason.

It was also voted to have an entertainment at the community hall in Nortonville, April 20, at which time there will be a magician, a reading given by Mrs. G. L. Riggs and also a reading by Mrs. Sam Seymour and Negro Spirituals sung by a group including Mrs. Lawrence Seymour, Mrs. Ben Smith, Mrs. Frank Vedder, Mrs. John Friend and Mrs. Jasper McNeely and Mrs. G. L. Riggs.

Music was enjoyed by all with Mrs. Bertha Henry and Mrs. Lawrence Seymour playing two guitar selections and a quartette consisting of Mrs. Hillard Sample, Mrs. G. A. Grider, Mrs. Thomas Mason and Mrs. Lawrence Seymour sang two numbers with Mrs. Lawrence Seymour at the piano.

Mrs. Oleeta McLamar was in charge of the special hour. Cookies were conducted, Mrs. G. A. Grider and Mrs. Hillard Sample winning prizes.

Delicious refreshments were served by the hostess.

Guests included: Mrs. Robert Henry, Mrs. Claud Smith, Mrs. Ernest Henry, Mrs. Merle French, Mrs. Henry Whitlock and Mrs. Gus Henry.

The club adjourned to meet with Mrs. Jasper McNeely on April 19th.

## DUST STORM COST \$7.20 PER PERSON Meade, Kas., People Figure Cost of Western Blows

Meade, Kas.—(P)—Just how much damage does a dust storm cause in an urban community? The answer in Meade, a western Kansas town of 1,500 people, is \$10,800, or \$7.20 per inhabitant.

This total, compiled through a survey of merchants, housewives and bankers, includes damages to homes and furniture, loss on merchandise, increased cleaning and laundry bills, expenses of hiring extra help for cleaning, and damage to automobiles.

**OWNERS OF NAME 37 LETTERS LONG KICKS One of Seven Children Try to Shorten It in School**

Pontiac, Mich.—(P)—A rose by any other name might smell as sweet, but certainly not to Glafkos Pappadourakomoundoroucoucoucoupos!

The man of letters—count 'em, 37—waxed wrothy at a conspiracy on the part of his children, abetted by the school teachers, to shorten the family name to Protapappas. Stella, 16, one of the seven children drafted the abbreviated form of the full name which, she explained, was built by the addition of a name with each generation.

Legally, Glafkos says, the old name stands—from "pap" to "ios."

**ASHLAND**

The Women's Foreign Missionary Society of the Methodist church met Thursday afternoon at the home of Mrs. Mary Anderson, who was assisted by Mrs. Lloyd E. Stribling. Mrs. Jesse Douglas was leader of the program of the afternoon, the topic of which was "Youth and Christian Mission." The devotional study was led by Mrs. Fred Pryor and a beautiful vocal duet was given by Mrs. Fred Pryor and Mrs. Lemuel Lewis, then the mystery box closed the program. Mrs. R. O. Beadles and Mrs. Louis L. Savage assisting in pouring and the hostesses served delicious refreshments.

The Ladies Aid Society of the Baptist church held a meeting Thursday afternoon at the home of Mrs. James Flynn. The afternoon was spent in sewing.

**PREACHES AT REVIVAL**

Rev. D. L. Jeffers, pastor of the Ashland M. E. church, motored to Chanderville, Thursday evening where he delivered a sermon at the revival services at the M. E. church in that city.

The American Legion Auxiliary will have a one o'clock luncheon in Legion Hall, Tuesday, April 9, which all members are invited to enjoy.

The regular meeting of the town board of Ashland was held at the town hall Wednesday night and the judges and clerks for the annual village election to be held Tuesday, April 16, were named as follows:

Judges—Glen Turner, A. C. Huston, J. R. Lynn, Clerks—Glen Hinds, Thos. Caswell, E. A. Sorrells.

R. H. Shipley, branch manager of

## MISSIONARY GIVES TALK SATURDAY AT COLLEGE HERE

Mrs. A. C. Bro Of Chicago Speaks at MacMurray College Chapel Service On Chinese Life.

Mrs. A. C. Bro of Chicago spoke at a special chapel service at MacMurray college Saturday morning. She is a returned missionary from China and a writer of prominence in church papers.

In an exceptionally interesting manner she pictured various phases of upper class Chinese life, both before and after it had been touched by Westernism and Christianity. She spoke especially of upper class Chinese women, of their keen intellects, of their desire to learn and of the opportunities for schooling now offered and of the service these women are rendering a new China.

Mrs. Bro's visit to MacMurray College was made possible through the generosity of Mrs. A. C. Crawford of Chicago.

## CHAPIN BRIDGE CLUB HOLDS MEET

Chapin, April 6—Mr. and Mrs. Kenneth Flint entertained their bridge club Thursday evening with three tables of play. High score prize was awarded to Mr. and Mrs. Harold Perbix. Dainty refreshments were served. Guests, Mr. and Mrs. Delbert Aufdenkamp, Mr. and Mrs. M. F. Egdford, Mr. and Mrs. E. J. Lashmet, Mr. and Mrs. Harold Perbix, Mr. and Mrs. Verne Smith.

**News Notes**  
Little Miss Jean Wolters was hostess to all the little girls in the primary department of the grade school Saturday afternoon. After a happy afternoon with games delicious refreshments were served.

Mrs. Alvin Dickens spent Thursday with Mrs. John Bruening.

Mr. and Mrs. T. O. Coultas of Markham were visitors here Saturday.

Mr. and Mrs. John Theivogt of Arenville will spend Sunday with Mr. and Mrs. John Bruening.

Mrs. Mary Sargent of Galesburg will spend Sunday with Mrs. Anna Ethel.

**Danzig is Swept by Fervor of Naziism**

Danzig—(P)—A flood tide of Nazi fervor carried the free city's populace along today, the last before the Volkstag elections which may result in a Nazi dictatorship.

Rudolf Hess, spokesman for Adolf Hitler, addressed the voters last night and touched upon the European security situation by declaring that Soviet Russia is the obstacle to Nazi Germany's agreement to an eastern pact.

Hess, speaking directly of the coming election, demanded the establishment in the free city of "the same internal system as prevails in Germany."

The voters tomorrow will renew the Volkstag, the lower house of the city's parliament, for the sixth time since the League of Nations took over guardianship after the world war.

**Free City Will Vote to Renew Method of Government**

**ENRAGED MAN SHOTS LOVE RIVAL AT HOME**

Chicago—(P)—Jealousy, the authorites said today, prompted Thomas Cronin, president of Local 704 of the International Brotherhood of Teamsters, to slay William A. Bahnfleth, 43, after a bitter quarrel in Cronin's home.

Bahnfleth was shot four times last night while Cronin's wife and 9-year-old son, Thomas, Jr., looked on. Police said the labor official became enraged over his wife's friendship for the victim, and that a quarrel ensued when he found Bahnfleth at his home.

Mrs. Cronin told police Bahnfleth had been friendly with her since her estrangement from Cronin nearly three years ago and that since she returned to Cronin, Bahnfleth had been a welcome guest in their home.

**EXETER**

Mr. and Mrs. Claude Brackett and family moved Friday to the country. Marcella Taylor has the measles.

Mrs. Jennie Croy of Decatur is visiting at the home of her cousin, Mr. and Mrs. Thomas Whitlock.

Russell Collison has purchased the house which Claude Brackett vacated, which was owned by Lyle Mathews.

William Rolf and William Taylor attended a sale at Woodson Friday.

Mrs. John Korty and son, Donald visited in Beardstown Friday at the home of the former's sister, Mr. and Mrs. Dee Tharp.

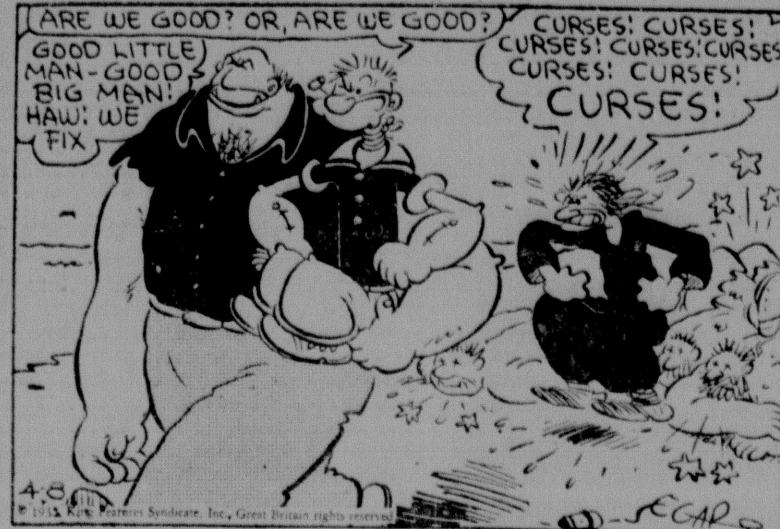

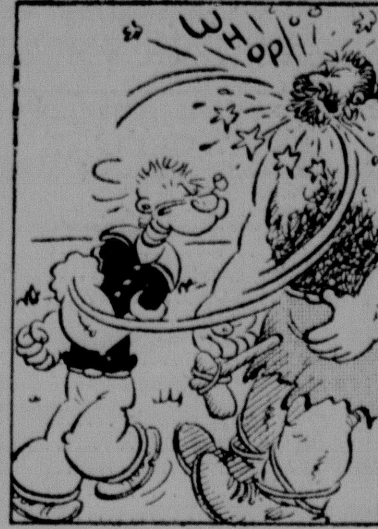

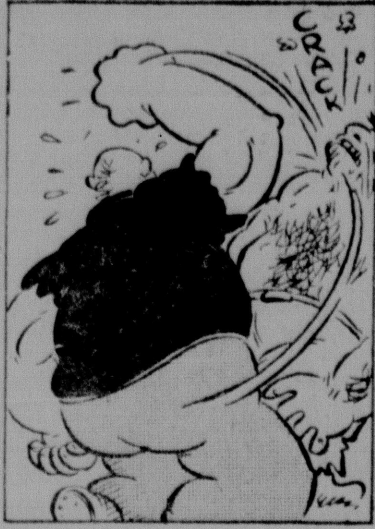

Mr. and Mrs. Lafayette Six of Bluffs were Thursday afternoon callers at the home of the former

JUNIOR CLASS AT CHANDLERVILLE IN ASSEMBLY PROGRAM

Chandlerville—Members of the Junior class of the high school gave an assembly program Friday under direction of Supt. W. W. Ritchie. Historical events occurring in the month of April featured the entertainment.

Students participating in the program were Donald Anderson, Lawrence Armstrong, Florence Blair, Elizabeth Blair, Carroll Carlock, Orleana Collins, Daniel Cook, Junior Davis, Gilbert Drake, Virgil Force, Edward Harrison, Josephine Kirscher, Shirley Ann Lynn, Howard Morrow, Hubert Murphy, J. G. Murphy, Lyle Norton, Robert Ross, Evelyn Sarff, Dorris Shawgo, Carroll Satorious, Thelma Vollmers, Russell Weaver and Carl Workman.

The C. S. C. of the Congregational church recently held a successful chili supper in the Lucas building. A number of prizes were awarded during the supper, these going to Frank Finn of Virginia; Mrs. Virgil Carpenter, Rev. F. A. Bonneton, Jean Scott, Mrs. Nellie McDonald, Miss Lela Dyson, Ivas Lintner and Harry Fieldon.

FRACTURE DISCLOSED IN CAIN'S LEFT ARM

Further examination Saturday revealed that Fred Cain, victim of an automobile accident Thursday night, is suffering from a fracture of the large bone of his left arm. Mr. Cain is a patient at Our Saviour's hospital and his general condition is improving. Additional X-rays have not disclosed other serious injuries.

Mrs. C. F. Mills of Bluffs was shopping here Saturday afternoon. Bert Way of Ashland was a business visitor here yesterday.

The Liberty Aid society met with Mrs. E. A. Sawtelle on Wednesday afternoon with a good attendance.

The Markham Community Bible class will meet at Mt. Zion church Sunday, April 11, at 9:30 a.m. followed by preaching service at 10:30 by the pastor, Rev. Kerr. Lesson for Bible class: 15th chapter of John.

Mrs. Fred Kilham and Mrs. Harry Kilham were in Springfield Thursday. Mrs. John Boddy, who has been caring for her sister, Miss Emma Walters, returned home Wednesday.

## There's Room for "New" Homes Like This in Morgan County

Believe it or not the pictures here are of the same home. The illustration on the right shows a nondescript and uninteresting cottage. There are thousands of homes like this—some of them in Morgan county.

Tearing away the porch, re-shaping the roof a bit, a new bathroom and other interior changes resulted in a most attractive home of the newest type. Terracing and landscaping added their bit. Inside, the house was made a model of efficiency and convenience. Use the coupon below and take advantage of this free service. In addition, note how numerous concerns can aid you as mentioned in the small but helpful advertisements below.

## QUITS BUSINESS AFTER 51 YEARS

To Close Store 92 Years in Sharon Family; Other Carrollton News

Carrollton, Ill.—Addison J. Sharon, born and reared in this city, and in business here for more than fifty years, is retiring on account of poor health. The firm is the oldest in Carrollton and probably in Greene Co.

From the oldest records obtainable the store was opened 92 years ago, in 1842, on the present site by Dr. John K. Sharon, grandfather of the present owner, and his brother, William Sharon, who retired in 1849 and went to California, where he became a millionaire in the gold fields. During the 70's he was elected United States senator from Nevada. After Dr. Sharon retired and his three sons, John J. Joseph K. and Chas. C., took over the business.

The store was run as a grocery, dry goods and shoe store. After the death of Joseph K. some 51 years ago, his son A. J. Sharon, the present owner, took over the business and has managed the business since. Mr. and Mrs. Sharon are leaving for a prolonged visit with his brother, B. C. Sharon in the State of Virginia.

Mrs. Frank Stansbury is spending the week in St. Louis with friends.

Mrs. Fred Ashlock returned Wednesday from a ten-day trip to Ashland, Wis., where she cared for her son, Kenneth, who has been quite ill in the General hospital with pneumonia.

## REPUBLICANS PLAN SERIES OF MEETINGS

Mass Gatherings, Precinct  
Rallies to Feature  
Week's Campaign

A full program of meetings has been outlined for this week in behalf of Republican candidates seeking city offices. During the past week numerous organization precinct meetings have been held in various parts of the city, and this week public mass meetings will be held in each ward of the city and in the down town district.

The week's campaign will begin Monday evening with a meeting of the Republican Ex-Servicemen's organization. This meeting will be held at the Peacock Inn Monday evening at 7 o'clock. There will also be two precinct rallies Monday evening, a meeting for voters of Precinct No. 11 having been planned at 7 o'clock p. m. at the residence of Mrs. Homer Rowland, 128 Richards street, and a meeting for Precinct No. 5 at the home of Jesse L. Hawk's residence, 722 Bedford street, at 7:45 o'clock p. m.

Tuesday evening, April 9, at 7:30 o'clock, there will be a mass meeting for Fletcher Blackburn for mayor and the entire Republican ticket, at the Peacock Inn. State Representative Hugh Green will preside as chairman of this meeting, and he will be assisted by a number of other good speakers. This meeting will be in the large assembly room of the Inn on the second floor and the public is invited. The Odd Fellows quartet will give a special program of music. Public mass meetings in behalf of Fletcher Blackburn for mayor, Robert Keating for city clerk, Gertrude Hamilton for city treasurer, and the aldermanic candidates in their respective wards, Ralph W. Green, John W. Baptist, W. H. Cocking, Ben Denny, Randolph Little, Franklin Matthews, George F. Brown and William W. Wright, will be held at the school houses in every ward during the week as follows:

Tuesday night, April 9, 7:30 p. m. Mass meeting for Blackburn at Peacock Inn.

Wednesday night, April 10, 7 p. m. Franklin School—Fourth Ward.

Wednesday night, April 10, 7:30 p. m. Jefferson School—First Ward.

Thursday night, April 11, 7:30 p. m. Washington School—Fourth Ward.

Friday night, April 12, 7:30 p. m. Lafayette School—Second Ward.

All the candidates and speakers will be at each meeting to all of which the public is invited. Entertainment will also be provided.

Republican election headquarters is Phone 362.

## PLAN ANNUAL CHURCH MEET

Congregation Of State Street  
Church To Elect

To Speak Here

MISS RUTH BRANNON

Special Representative  
Federal Housing Administration

Miss Ruth Brannon, special representative of the Federal Housing Administration, will be the principal speaker at a meeting to be held at MacMurray college Wednesday afternoon. Home improvement will be discussed at the meeting, and the general public is invited to attend.

C. C. P. McClelland will preside at the meeting, which will begin at 2:30 o'clock in the afternoon.

Miss Brannon has been very active in women's affairs and activities, having traveled extensively over the entire nation speaking in behalf of the Federal Housing Administration. Her talk will be of special interest to women and she will speak on the housing program from the women's point of view.

She was a candidate for Congress in the eleventh Congressional district last spring. She is a graduate of the University of Chicago and the University of California. She is a member of the Business and Professional Women's club.

## AMENDMENTS OF AAA WOULD AID RESERVE

Goal Of Agricultural Act Is  
To Build Safe Store  
Of Products

Building up a safe reserve store of agricultural products in the United States is one of the main goals of the proposed amendments to the Agricultural Adjustment Act, says Farm Adviser I. E. Pareti of Morgan county. Under the amended act it would be possible to maintain a reserve supply for short years, without depressing prices as was the case with the Farm Board.

The amendments would assist in building up reserves by allowing the federal government to acquire surplus products in years of plenty and to return these reserves supplies to cooperating farmers in the form of benefit payments "in kind" during seasons of reduced production. This arrangement would be a long way toward solving the problem of protecting agriculture against the ravages of recurrent cycles of surplus and scarcity, in the belief of Chester C. Davis, AAA administrator.

It would also work for the benefit of other classes of people since the security and stability of all society rests largely on the stability and security of agricultural people, says Davis.

During the first year and one-half of AAA, the program was necessarily one of reduction. The emergency demanded rapid and drastic reduction if the purchasing power of the farmer was to be restored before he was forced out of business.

With the emergency largely over, the time has come to add to the flexibility of the act so that the stomach and pocketbook of the consumer may be protected along with the farmer's income, both in years of plenty and in seasons of crop failures.

In addition to leveling off year-to-year crop variations, the amendments would further protect the interest of the fruit growers, dairymen, truck gardeners, poultrymen and tobacco producers through changes in sections of the act dealing with marketing agreements and licenses.

These changes are directed mainly toward assuring the majority of producers of any one product greater privileges in adopting marketing programs in accordance with their desires.

The majority of the 12 proposed amendments would not extend the authority of either the Secretary of Agriculture or the farmer, points out Administrator Davis. In general, they would tend to clarify the existing terms of the act so as to do away with misunderstandings such as have arisen in the past. This would prevent litigation of the type that has delayed the progress of agricultural adjustment in many cases.

## Beardstown

The Beardstown "Tiger" annual staff will entertain the Juniors, annual sales contest winners, at an all high school party Monday evening in the high school gymnasium. Other class members may attend also.

A program of entertainment consisting of a one act play, vaudeville, minstrel sketches, fortune telling and photography has been worked out by the committee. Dancing and refreshments will complete the evening's list of recreations.

Members of the annual staff are: Helen J. Walker, Arlene Miller, Lucille Higginson, Clara Hunt, Wyllia Hulet, Roberta McAllister, Irma Braden, Jack Doyle, John Dowdall, Dick Schultz, Clyde Valley, Lawson Wood and A. J. Plattner. Miss Harriette Mattes is annual sponsor.

Miss Louise Dawson of Winchester spent Saturday in the city shopping.

Virginia callers in the city yesterday included J. E. Tynes.

## DIRECTOR OF RELIEF PLAN TO SPEAK HERE

Current Relief Situation to  
Be Discussed By Dr.  
Martin Bickham

Citizens of Morgan county will have an opportunity Wednesday evening, April 10, to hear Dr. Martin H. Bickham, director of program planning for the Illinois Emergency Relief Commission in a discussion of the current relief situation. It was announced by Mrs. Tillie Jane Kelly, administrator for the Morgan County Emergency Relief Committee, Saturday.

The meeting, which is sponsored by civic leaders, will convene at 8 p. m. in the court house at Jacksonville. At 6:15, the chairman of the program committee, Louis Rodenberg, will present him to the Lions Club at the Peacock Inn. During the day, Dr. Bickham will meet individual groups in conference, by appointment.

A large attendance of business and civic leaders and public officials of the county is expected by those in charge as Dr. Bickham is not only well qualified to discuss the Illinois relief program because of his present direct connection with the state relief administration, but is a leading national authority on welfare relief.

In his address, Dr. Bickham is expected to bring an important message to those who are interested in the relief program as it is now being developed throughout the state and to analyze many of the present day relief problems in their relationship to conditions now existing in Morgan county. Dr. Bickham's subject will be "From the Relief Level to Social Security in Illinois."

Because of his work in planning the expanded work relief program in Illinois since termination of the CWA last spring, Dr. Bickham is particularly familiar with the development of this program, its problems, aims and purposes. Since becoming director of program planning for the commission, he has traveled extensively throughout the state studying the many factors affecting the state's relief problem. In making these studies of the social and economic backgrounds of the various sections of the state, he has conferred with public officials, business and civic leaders and with persons on relief rolls, and has consulted original sources of material on agricultural and industrial conditions. He will use many of these first-hand studies as a foundation for his address in Jacksonville.

## E. H. STANTON, BETTY JAMES WED SATURDAY

Impressive Ceremony Takes  
Place Yesterday Afternoon Here

In the presence of seventy guests from Jacksonville and other cities, Miss Betty James became the bride of Edward Hamilton Stanton of Detroit, Mich., here Saturday afternoon. The impressive ceremony, stately in its simplicity, took place in the large east room of the Colonial Inn at 4 o'clock. The service of the Episcopal church was read by Rev. Jerry Wallace, rector of Christ church, Springfield.

It was a scene of beauty as the couple stood before an altar, flanked by ferns and palms. White snapdragons and roses were in profusion on either side.

The ceremony began as Miss Rhoda Olds of this city played Mendelssohn's Wedding March. The bride entered the room with her father, W. D. James, who gave her away in marriage.

Her gown was of aqua-marine blue lace, with short court train. She carried an arm bouquet of roses and lilies of the valley.

Mrs. James William Arnold of Jacksonville was matron of honor. She wore shell pink lace, and had pink roses as her bouquet.

Mr. Stanton was accompanied by Richard Decker of Detroit, as groomsmen.

The ceremony is of interest to many Jacksonville and Detroit families, as the bride and groom are socially prominent.

Mr. Stanton is an attractive brunette, who has been active in affairs of the younger set here since she attended high school and college.

The bride is a daughter of Mr. and Mrs. W. D. James of 716 West College avenue.

She attended Jacksonville High school from which she graduated in 1927, and MacMurray College. Her society is Phi Nu.

Mr. Stanton is a son of Mr. and Mrs. H. L. Stanton of Oak Oak, Mich.

He graduated from Kenyon College at Gambler, Ohio, in 1928, and is now associated with the Detroit Trust Company.

A reception for the wedding party and guests followed the ceremony.

Mr. and Mrs. Stanton departed for a wedding trip through the south. They will reside at 12,674 Meyers Road in Detroit.

Guests from out-of-town at the wedding and reception were Mr. and Mrs. H. L. Stanton, Mr. and Mrs. Frederick Stanton, Mrs. C. E. James, Mrs. Aubrey Scott, Mr. and Mrs. Charles E. James and Richard Decker, all of Detroit, Mich.; W. S. James, Mrs. O. E. Whelock and Mrs. Morton Benedict, Kansas City, Mo.; Mrs. W. S. Jones, Mr. and Mrs. John Dawson, Springfield, Ill.

Mr. and Mrs. P. R. Schwartz and Mrs. Rosa Bell made a business trip to Los Angeles and Glasgow Wednesday afternoon.

Mrs. J. C. Andras spent Thursday afternoon with her niece Mrs. Charles Rhodes near Murrayville.

Dinner guests of Mrs. Belle Gidney on Thursday were Miss Pearl Gidney of Jacksonville, Mr. and Mrs. Elmer Alfred and family of Roodhouse and Mr. and Mrs. Harry Gidney and family of Winchester.

Mrs. R. L. McConnell, Mrs. H. A. Gordon, Mrs. Leah Gregory and Mrs. Florence Whitlock spent Thursday
